

Knoxville Fire Department

Fire Prevention Bureau (Fire Codes and Inspections)

Permitting A New Underground Storage Tank for Flammable and Combustible Liquids:

1. Submit application, site plan, certificate of liability insurance, and applicable fees.
2. Site plan should include the following:
 - a. Location of tank on property
 - b. All buildings on property
 - c. Property Lines
3. Underground storage tank permits are valid for one year.
4. Application will be voided if installation is not completed within ninety days of application date and a new application must be submitted.

Any addition, substitution, or removal of an underground storage tank should be reported to the Fire Prevention Bureau immediately.

FEES: Underground tank installation, removal, or abandonment (per tank)	\$60.00
